Abstract

Complete abstract.

Keywords: minibus taxi, GPS telemetry, vehicle-day, daily distance, Gauteng, paratransit

1. Introduction

TODO: Complete introduction.

TODO: Complete research questions:

- What is the consequence of making electrification investments under a model that excludes adaptive behaviour? — This is the sort of methodological conclusion that can solidify the PhD.

2. Literature review

TODO: Complete literature review.

3. Methodology

TODO: Complete methodology.

4. Results

TODO: Complete results.

5. Discussion

TODO: Complete discussion.

6. Conclusion

TODO: Complete conclusion.
